Please take a moment to check out the website of my charity of choice, Blue Sky Bridge: <http://blueskybridge.org/>

Blue Sky Bridge's Vision: *"Prevention and Intervention in the Fight Against Child Abuse"*

Blue Sky Bridge's Mission Statement: "At Blue Sky Bridge, we facilitate a collaborative approach to child abuse investigations while providing child victims and their families with support in a safe and child-focused environment. We strive to make the community safer for all children and families through intervention, education and advocacy."

I believe in giving back to my community, therefore a percentage of my annual income is donated to Blue Sky Bridge, a Child & Family Advocacy Center here in Boulder
